

# Misty, Sweet Misty

Hi, my name is Misty and I am a 10 yr old Labrador mix. I am currently residing with my foster family and looking for my fur-ever home.

I am extremely sweet, gentle and mellow; a loving energy to have around. I prefer to be with someone who is more homebound and has a peaceful environment.

If you think we might be a good match and would like to meet me,  
Please call: Rob and Diane at (805) 777-1033
