

Lydia Hiby

Animal Communicator

Lydia is the most sought-after animal communicator around. Her childhood dream of becoming a 'fairy godmother' to animals seems to have come true.

Her clients come from every state in the U.S. and European countries galore. People so different, yet sharing the love of their pet and their belief in Lydia's gift.

Her client list numbers over 60,000 over 20 years, and many began as skeptics. Lydia likes skeptics, she says, and believes that once she proves herself to a skeptic that skeptic becomes her best publicity.

Lydia also co-authored a book, *Conversations with Animals*, detailing some of her experiences.
